**2010**  
**CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

3 years. (Population under 10,000)

6 years. (Over 10,000 and all county governments)

\_\_\_ years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The attached Capital Improvement Program is designed to meet the requirements of law, and therefore, is narrow in scope and limited in description. In reality, the ongoing planning process is dynamic and continually changing. The primary purpose of this plan is to serve as a guide for continuous planning and budgeting.

The Borough of Jamesburg is very aggressive in seeking and obtaining grant funds for the purpose of capital improvements. We have applied for and received in excess of \$3,700,000 in grants and aid over the last five years, the majority of which has been designated for capital improvements. We are continually applying for grants on behalf of the citizens of the Borough of Jamesburg in order to attempt to relieve the tax burden while still maintaining the infrastructure of our municipality.

The Borough of Jamesburg will continue to improve our curbs and sidewalks through the use of grant funds. We will continue our resurfacing program for those streets in poor condition, in order of priority. Again we will use only grant funds for this purpose.

We will attempt to continue with infrastructure repairs including storm drain and sanitary sewer repair. We will continue to seek funds for the Downtown Business District for the on-going replacement of curb and sidewalks in that area.

The Borough will continue with the Underground Storage Tank Remediation program as dictated by the New Jersey Department of Environmental Protection.
