**THE REQUIRED CERTIFICATION BY AN RMA IS AS FOLLOWS:**

**Preparation by Registered Municipal Accountant (Statement of Statutory Auditor Only)**

I have prepared the post-closing trial balances, related statements and analyses included in the accompanying Annual Financial Statement from the books of account and records made available to me by the Borough of Jamesburg as of December 31, 2018 and have applied certain agreed-upon procedures thereon as promulgated by the Division of Local Government Services, solely to assist the Chief Financial Officer in connection with the filing of the Annual Financial Statement for the year then ended as required by N.J.S.A. 40A:5-12, as amended.

Because the agreed-upon procedures do not constitute an examination of accounts made in accordance with generally accepted auditing standards, I do not express an opinion on any of the post-closing trial balances, related statements and analyses. In connection with the agreed-upon procedures came to my attention that caused me to believe that the Annual Financial Statement for the year end December 31, 2018 is not in substantial compliance with the requirements of the State of New Jersey, Department of Community Affairs, Division of Local Government Services. Had I performed additional procedures, or had I made an examination of the financial statements in accordance with generally accepted auditing standards, other matters might have come to my attention that would have been reported to the governing body and the Division. This Annual Financial Statement relates only to the accounts and items prescribed by the Division and does not extend to the financial statements of the municipality/county, taken as a whole.

Listing of agreed-upon procedures not performed and/or matters coming to my attention of which the Director should be informed:
